Dear Mr. Goode

Adaptive Spectrum and Signal Alignment Inc. (ASSIA Inc.) is making a Patent Statement and Licensing Declaration with respect to the Dynamic Spectrum Management (DSM) Technical Report that was sent to Letter Ballot at the NIPP Meeting held March 20 – 23 in Las Vegas, Nevada.

ASSIA Inc may hold patent rights related to the content of the DSM Technical Report.

In accordance with Section 3.1.1 (b) of the ANSI Patent Policy, ASSIA Inc. is not prepared to waive its patent rights but would be willing to negotiate licenses with applicants under reasonable terms and conditions that are demonstrably free of any unfair discrimination with respect to patent claims held or controlled by ASSIA Inc. that are required to implement the technologies defined in the Technical Report.

Those interested in further information on this issue should be referred to
